

We are excited to announce that **Hastings UFSD** will be incorporating an online sports registration platform called **FamilyID** for our athletic registrations starting this Spring. This digital platform will replace the hard-copy forms previously required for sports participation. FamilyID is a secure registration platform that provides families with an easy, user-friendly way to register for our athletic programs, and helps us to be more administratively efficient and environmentally responsible. When you register through FamilyID you will be asked to enter your information only once, but are free to make changes as needed. For those families who are not comfortable using an online platform for sports participation, you may opt-out and continue to use our current system.

BEFORE YOU REGISTER:

The Hastings UFSD offers a comprehensive athletic program committed to the development of physical fitness, personal growth, safety and the achievement of excellence for our student-athletes. Any academically eligible student in grades 7-12 may try out for an interscholastic team. There are three sports seasons throughout the year (fall, winter and spring), and a student may participate in one sport per season. The requirements below must be met before participating. (All forms can be found under the “Athletics” tab on the Hastings UFSD website or under the “Links” section on the FamilyID homepage.)

All athletes must complete the following:

- [**HEALTH APPRAISAL FORM \(CURRENT PHYSICAL\)**](#)

A physical exam is required for medical clearance and must have been completed within 12 months prior to the start of any sport season. Please upload the completed physical through FamilyID.

(Note: It is important for parents to upload their child’s health appraisal as we do not have access to do so from here.)

- [**FamilyID ONLINE REGISTRATION**](#)

Must be completed within 30 days of the start of each sports season.

If the online registration is completed less than one week prior to the sports start date your child is not guaranteed clearance for the first day of practice.
